Unless otherwise indicated, all maps are oriented North up.

National Fire Plan Efforts in this Region

National Fire Plan analysis was conducted by the Northwest Management, Inc., Geographical Information Systems Laboratory located in Moscow, Idaho. This project was implemented with the West Central Highlands RC&D, participating Counties & Cities, fire districts, and local citizens. Cooperation, and data was provided in collaboration with the US Department of Interior Bureau of Land Management, the US Department of Agriculture Forest Service, and the Idaho Department of Lands.
